

THIS TO BE LIVELY WEEK FOR CALLER CONTESTANTS

(Continued from Page One.)

of special premiums in order to stimulate the Caller's great subscription-getting campaign. No contestant should overlook the value of winning one of the special premiums offered this week. The winner of the beautiful Victor Talking Machine will be a holiday present that is unequalled as an instrument of entertainment. This talking machine is on display at the Gunst Music store, and while it is given away to the lady contestants turning in the largest number of new yearly subscriptions to the Daily Caller, this week, it will remain on exhibition with the other talking machines and pianos now carried in stock at the Gunst Music store. This Victor Talking Machine has a beautiful oak horn and is valued at \$51.

This morning, those who pass in front of Noakes Bros. Sporting Goods Store, at 208 Champlin street, will see displayed in their show windows a child's bicycle which is like the one that will be presented to the child in the Caller's Yuletide Popularity Contest, who turns in the greatest number of yearly subscriptions to the Daily Caller. In the show window with this standard child's bicycle are many air rifles which make a splendid Christmas present for children. Noakes Bros. carry a large stock of both bicycles and air rifles for children. This bicycle alone makes a most splendid Christmas gift for some child and there should be some very interested people who will bid this premium valued at \$25.00.

Now there is something very special which accompanies these special premiums. These persons will receive 75,000 extra votes on this week's business. While there are only two special premiums, it has been arranged to give away three 75,000 voting coupons free. The winners of these extra votes will have much better chance for winning the Capital Premium or the Shetland-Pony big, than will those who do not make the high mark this week. This is the most important week of the contest, to date, and everyone should hustle for the extra votes and the special premiums.

A Christmas Remembrance.
When thinking of some gift of remembrance to make a friend, one should not forget that the Daily Caller will make an excellent remembrance, and one which will be enjoyed by the person receiving it, for the year 1912. The Caller is a constructive booster for Corpus Christi and south Texas and will make a splendid Christmas remembrance to any one who may have an interest in this

section of the state, its growth and development.

Auto on Exhibition.

The five-passenger Overland touring car which is the Capital Premium in the Caller's Yuletide Contest, is on exhibition at the garage of C. C. Chaddick & Co., on Williams street. The contestants who are making an energetic race for this touring car should invite all their friends to see the 1912 model 55-T Overland at the Chaddick Garage.

Prince Getting Lonesome.

Since the man, "Prince" has been kept close in his stall and he is getting lonesome for the friendship of some child—some one to give him exercise and play with him. In less than two weeks this handsome Shetland pony will pass into the possession of some child.

Of all things that might be given a child for Christmas, nothing would be more desired or would please more than "Wolf Prince" and his swell rig. The fathers and brothers of the children do not seem to have the interest which should characterize the winning of such a valuable child's premium. The child who gets Prince and his rig will have little reason for other Christmas presents. This is a rare opportunity for some father and mother to make their child happy for several years to come by getting the boy or girl who wins the Shetland pony.

SPECIAL RULING.

All money sent to the Caller this week by contestants living outside of Corpus Christi will be counted for special premiums and extra voting coupons. If the envelope in which the votes are mailed bears a postmark prior to 6 o'clock p. m., Dec. 16, this gives these contestants living outside of Corpus Christi an opportunity to work up to the last minute.

Capital Premium.

The beautiful Overland touring car will be the first 1912 model of its kind to arrive in Corpus Christi and a more splendid selection could not have been made for a Capital Premium. It is fully equipped with top and windshield and sells for \$1,050.00. This car is believed by many automobile experts to surpass any other car on the market for a like price. It is clumsy, with many valuable improvements over last year models. The same car made last year by the Willys-Overland has 25 horse-power with 182-inch wheel base. The 1912 model is full

of horse-power and has a 196-inch wheelbase, and is a much roomier car, selling for \$230 less money than last year's model.

This car is guaranteed by the Woodward Carriage Company of San Antonio, who are district agents for this car in this section of the state.

This year there has been over 15,000 cars of the Willys-Overland factory output, already contracted for. This fact alone attests the popularity of the automobile the Caller is giving away as a Capital Premium.

The Overland 55-T is the acme of perfection for the price. It is simple, making it decidedly a car for ladies.

Piano Grand Premium.

A beautiful piano of the famous Packard make, value, \$550.00, furnished by and now on exhibition at the C. C. Book and Stationery Co.'s store in this city will be presented, as the Caller's Grand Premium, to the lady inside or outside of Corpus Christi who receives the greatest number of votes next to the winner of the Capital Premium. This handsome instrument, style B, is made of handsomely figured walnut, is 4 feet 8 inches in height, is 2 feet 3 inches in depth, and is 5 feet 6 inches in length. This valuable premium alone is worth months of effort to secure.

Premium for Corpus Ladies.

Corpus Christi real estate is a very attractive investment just now, therefore the Caller has purchased an excellent residential lot 48x120 feet in the beautiful Bay View Addition No. 2, which will be presented to the lady living in Corpus Christi who receives the greatest number of votes next to the winning of the Capital Premium.

The lot to be given faces east, and is only 230 feet from the street car extension to be made within 60 days.

Several pretty residences are being built near the lot offered which is lot 6 in block 8. This lot, valued at \$350.00, is one of the holiest building sites in Bay View Addition No. 2, which is being handled by the real estate firm of Baston & Bousier. The Bay View Addition No. 2 is one of the most attractive residence additions in Corpus Christi.

Post Premium to Outside Ladies.

A pure white and flawless diamond weighing 1 3/8 carats less 2-64, set in a solid gold ring and valued at \$225.00, will be presented to the lady outside of Corpus Christi who receives the greatest number of votes next to the winner of the beautiful

1912 Packard Piano. This beautiful gem will be furnished and exhibited by The Stamps, the reliable jeweler.

ers of this city.

Second Premium to Outside Ladies.

A complete scholarship, in the well-known San Antonio Business College, value \$125.00 and \$50.00 cash for expenses, or a pure white and flawless diamond set in a ring, value \$125.00, will be presented to the lady outside of Corpus Christi who receives the second greatest number of votes to the winner of the Packard Piano.

The premiums are worth many times the effort that must be expended to win them.

"Prince" and the Runabout.

This high-bred, gentlest Shetland pony, registered as an animal of the first class is a perfect pet and child's playfellow. Just as playful as a kitten, has plenty of curiosity and is very independent.

The little runabout that goes with this outfit is a most excellent vehicle and is capable of carrying a load as heavy as the large size buggies. We invite any who may be interested to call and examine it.

Following is the vote standing as counted at 6 o'clock last night:
